BIG AND BEAUTIFUL

This Year's Fiesta Attracts 33,000 To View Exhibits

It was big, bright, and beautiful!

The eleventh annual San Mateo county Fiesta closed, Sunday night, after a record-breaking run, during which approximately 33,000 persons saw the many dazzling exhibits and witnessed the variety of entertainment.

The total was about five thousand more than at last year's show. Paid admission this year were estimated at 26,000. On the first and third days of the three-day run a nearly full grandstand of people saw the stage show, accompanied by Muzzy Marcellino's orchestra.

County Manager Frederick Peterson was enthusiastic about the show and commended the Fiesta management in a letter, which read in part, "On behalf of the citizens of San Mateo county and myself, I wish to congratulate you and all the officials on the splendid success of our county Fiesta, which has given the county favorable publicity and our people an excellent show."

One exhibit of special interest to Daly City people, and one which won a special award, was the McLellan display of three thousand gardenias.

On the opening night more than four thousand persons thronged through the exhibit halls and were present for the entertainment program.

The Fiesta's main theme, is, of course, flowers, and the displays revealed the broad diversification of the county's floral output. Albert O. Stein's "floral stairway to the stars" and the $60,000 orchid exhibit of Avansino, Mortensen & Dettmer of San Bruno were two of the most spectacular of the displays, and received special awards.

The flowers that were still in good condition after the Fiesta was over were turned over to the hospitals and the vegetables that had been on display were given to relief homes and other charitable institutions.

Defense Council Names Committees

The San Mateo county defense council went to work, Wednesday evening, and created seven committees to take care of the various aspects of county defense.

Arthur Quirmbach, representative from Daly City on the council, was chosen chairman of the public information committee. This group will have as its business keeping the public informed of the progress of the council.

The members of the committees will be chosen by the council at its next meeting, the time of which is indefinite.

Earl P. Wilsey, city manager of Hillsborough, was chosen permanent chairman; Edward R. McDonald, Burlingame, was named vice-chairman; Julius Edling, San Carlos, was appointed acting secretary.

Chairmen of the committees other than Quirmbach are Daniel Sullivan, assistant district attorney, civil protection; Edward R. McDonald, human resources and skills; Dr. Charles C. Gans, county health director, health, welfare and consumer interest; M. A. Grant, county engineer, transportation, housing, and works; William D. Soule, city manager of San Mateo, industrial resources and production; Max J. Leonard, county agricultural commissioner, agricultural resources and production.

Wilsey stated that the county defense council is now prepared to give advice to any local de-

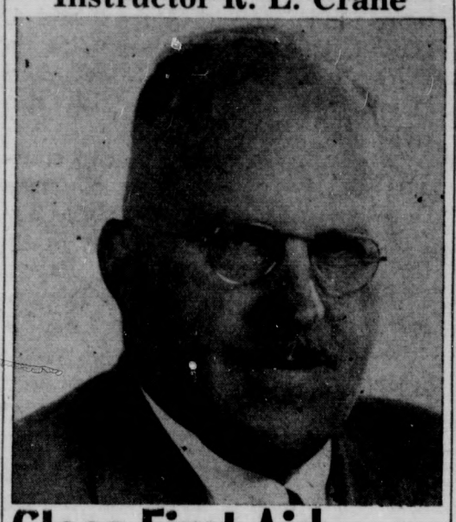
Instructor R. L. Crane



Close First Aid Class Enrollment

The first aid classes are now closed to new members, announced R. L. Crane jr., who is the Red Cross first aid instructor in charge of the weekly Tuesday classes.

The membership of Crane's class now numbers 43, about equally divided between men and women, and representing almost every walk of life in Daly City.

"Enthusiasm is very high in the class," said Crane.

Among the organizations represented in the classes are PTA, Daly City Unit No. 410, American Legion auxiliary, and Old Glory Auxiliary, No. 2044, Veterans of Foreign Wars.

The Monday class is composed of high school students. Studied this week in Crane's group was shock. The week before wounds and bandaging were taken up.

Daly City Post No. 410, American Legion, is sponsoring the first-aid classes in Daly City.

To Assist Draftees In Finding Jobs

The all-important problem of jobs, facing the newly released draftees, will be dealt with by an employment committee, it was announced this week by Mrs. Effie Ford, temporary clerk in charge of Draft Board No. 103.

At a meeting of the draft board, last week, Silvio Nieri, 322 Grand avenue, South San Francisco, was designated as chairman of the committee.

All boys who have been released from the army will be contacted, and will fill out a form showing their employment aptitudes and experience, and their personal history.

The committee will act as a go-between for the boys and their former employers. If an employer does not wish to rehire a young man, the committee will make efforts to find him another job suitable to his talents.

Communications have been sent by the federal government to all draft boards to form employment committees.

The date of the seventeenth draft call in Daly City has been set for October 16. At this time Draft Board No. 103 will send 37 men into the army, a greater number than will be sent by any

Take Cleaners For A Cleaning - - -

Universal Press took the Daly City Cleaners to the cleaners in their bowling match, Friday night, defeating them 3-0. This put Universal Press on top in the standings of the Daly City Bowling league, which has been under way for two weeks at the Steel Bowl in South San Francisco. They have won five and lost one.

Tied for second place with four won and two lost are the Eagles and Conci's Service. The Eagles won three games from the Lions; Conci's Service beat Milo's Market 2-1.

The Lions have yet to crash the win column. Their record so far

Telegram Tells Of OK For Low-Rent Housing Projects

The San Mateo county housing authority early this week received a telegram from Nathan Straus, administrator of the U. S. housing authority in Washington, that the low-rent housing project for this county has been approved by President Franklin D. Roosevelt.

Construction will be started in San Mateo by the end of this year or the beginning of next year, according to Wayne Johnson, secretary of the San Mateo county housing authority. The project in that city will include the construction of 34 dwellings at the cost of $153,000.

Johnson will contact local authorities next week concerning the extension of the housing project into Daly City. In a survey taken by the authority, concluded in the early part of August, Daly City was found to have 185 substandard dwellings. The authority stated that it would be impossible to

No One Will Starve, Quite The Contrary

It is apparent that no one is going to starve at the annual fall festival and bazaar, to be put on by Our Lady of Perpetual Help church, October 3, 4 and 5.

This was made clear by an announcement of the dinner committee, listing the menu of the dinners to be served Saturday and Sunday, October 4 and 5.

On Saturday the dinner will consist of spaghetti and meatballs, salad, bread and butter, coffee, and dessert. The repast on Sunday will consist of roast meats, mashed potatoes, vegetables, salad, bread and butter, coffee, and dessert.

The dinner committee is under the supervision of Mrs. A. Kohmann, according to whom this year's dinner will be even more enjoyable than last year's. It will

Promise Lots Of Fun At Benefit

They're fixin' so EVERYBODY can have fun!

There will be two dance floors at the annual Peninsula Peace Officers' association benefit ball, at Bay Meadows club house, Saturday evening. One floor will accommodate the jitterbugs and such like, who aren't happy unless they're dancing to the very latest music. The other dance floor will be for those who thrill to the old-time rhythms of the one-step, schottische, and square dances.

This year the latter floor will be twice as big as it was last year, according to Everett Pence, San Mateo, dance chairman.

All police officers in San Mateo county are selling tickets. The funds collected will go into the widows' and orphans' fund.

According to Daly City's Lieutenant A. L. "Barney" Hilton, president of the association, "Heavy demands on the widows and orphans fund of the Peninsula Police Officers' association this year have put an unusual emphasis on the need for success of the annual ball.

"With the proceeds of dances in the past we have been able to bring aid to the bereaved families of seven police officers, to the extent of more than $20,000, since the association was formed," he said.

There will be a vaudeville show as well as dancing to Johnny Dell's orchestra.

BUSY EVENING

Council Passes Two Ordinances, Three Resolutions

The Daly City council spent a busy evening, Monday, passing two ordinances and three resolutions, ordering the clerk to publish a notice of rezoning, and opening bids for two new fire trucks to be purchased by the city.

The first ordinance made it unlawful for the operator of any vehicle to park on a hill of more than five per cent grade without setting his brakes and turning his wheels in toward the curb, or blocking them in some other way.

It was also ordained that the following streets within Daly City become arterial highways, that is, beneficiaries of the state gas tax fund: Parkview avenue, North Parkview avenue, South Parkview avenue, Junipero Serra boulevard, Crocker avenue, Templeton avenue, Mission street, Hillside boulevard, Hillcrest drive, Citrus avenue, Westlake avenue, Niantic avenue, and Acton street.

Bids from five companies that manufacture fire engines were opened and read, but no action will be taken until after the board of council meets with the fire commissioners, tonight, at the city hall. For the two six-hundred-gallon pumping engines the bids ranged from $17,361.68 to $12,986.40.

The council resolved to increase the city's budget appropriation by $5,200, for "Bonds and Interest, 1941 Fire Department Bonds." This will cover interest and possible bonds which may mature during the year. Total budget of appropriations is now $159,570.87.

Quay street, a short street jutting off Wellington avenue about two blocks from Mission street, was declared abandoned and closed up.

The extension of industrial district No. 1 was proposed, so as to include Lots 1, 2, 3, 4, 5, and 6 of Block 18. This is the area bounded by Dunks street, Washington street, and the Southern Pacific railroad.

The purchase of Lots 10, 11, 12, and 13 of Block 35, Crocker tract from the city by James Bergin for $3000 cash was approved by the council.

Arthur Bodien read to the council a report written by Fire Chief A. P. Chesney and himself on their attendance of the Pacific Coast Association of Fire Chiefs' convention at Reno recently. Mayor John J. Fahey commended them for a "very complete and detailed report."

The council adjourned until Monday evening, when they will meet to pass on the fire engine bids.

A "Must" Date For Baseball Fans

Like baseball? Foolish question, of course.

Anyway, if you do, a "must" date for you and your friends is the game between the S. P. Club and Bear Photo at Marchbank field, Sunday. This game will be played at 2:30 p. m. The first game at 11 a. m. has not yet been booked.

At Jefferson Union high school diamond the first game will be played at 10 a. m. rather than at the usual 11 a. m. The Colma Merchants will meet an undetermined team from Oakland.

The games at both fields are to be played under the supervision of the Daly City WPA Recreation department.

DEATH

Death is always a revealing thing. As I looked at Mrs. Roosevelt's face in the repose which comes after death, I understood many things which the animation and play of expression in everyday life probably prevented one from seeing. The lines were smoothed out, the stark beauty of contour and the peace which death alone can bring remained.

I think that everything was done as she would have wished it. She liked simplicity. She loved her own home and her own place. On her coffin there rested only the spray of flowers made from flowers grown in her own garden and greenhouse, by the gardener who has been with her well over 40 years.

Around were banked the floral offerings which paid tribute to her kindness and affection for many individuals, and to her faithful service in many organizations. I think she would have been just as pleased with the flowers which came as a tribute of sympathy to her son.

In the room she liked so well, the rector, Mr. Wilson, read the simple but beautiful Episcopal service and the church choir sang two hymns which she always liked to sing. The men on the place carried the casket and there were more flowers which one of her nieces, Miss Laura Delano, arranged around the grave.

She had long contemplated this final resting place beside her husband. I think she had an affection for the trees and the familiar countryside around this old church and for this spot in the churchyard, where she had so often gone to lay flowers on the grave of her husband.

She would have liked to have just the family and friends who were here, about her. I wish that all the grandchildren could have been present.

I think everyone is conscious of the fact that the house and place in which she lived so long, will never be quite the same without her. She was a strong personality and left an imprint not only on the people she knew so well, but on the surroundings which she created.

My husband has as great a devotion to the place as his mother had, but it is different, I think. She thought that the land was tied with her family forever. With him, there are memories of youth and of his parents which can never be obliterated, but he does not count on the same kind of future that she liked to plan.

LINCOLN BED

When I reached Washington after the funeral, I was surprised to find that my bedroom and sitting room were being painted, so temporarily I am occupying President Lincoln's bed! It is particularly large and ornate and I never realized before how awe-inspiring it must be to our guests. However, I am glad to find that it is very comfortable, because long ago I can remember my grandmother telling me that one should always sleep in all of one's guests beds, to make sure that they are comfortable.

Epidemic of Grass Fires Breaks Out Here

A small epidemic of grass fires broke out here, Monday, between 3:30 and 7 p. m.

Companies 1, 2, and 3 took care of the minor conflagrations and put them out speedily.

The first was at 3:30 p. m., behind the American Legion hall, on San Diego avenue. The second was at Hillcrest drive and Niantic avenue at 5 p. m. The last chore for the firemen was a blaze at Hillside boulevard and East Vista avenue, turned in at 7 p. m.

Building Here Follows S. M. Trend

With a new record set in San Mateo county building activity this month, construction in Daly City reflected the general pickup with the issuance of permits for seven buildings since August 18.

Three $3500 homes are going up on Niantic street near Citrus avenue. Three $4700 structures are being built on Miriam street; and one $6000 building will be erected on Eighty-seventh avenue.

These figures were issued by Peter J. Kelly, Daly City's new building inspector, who has held his present position in the local government since August 18.

"For a while there was something of a building slump due to shortage of materials," he said, "but needed materials seem to be coming through better now."

County Building Inspector A. W. Russell said that the total building permits issued for the year added up to $3,010,138, the first time in the history of the county that building has reached so high a mark so early in the season.

The 1940 total was just below $4,000,000. A quarter of the current year still remains in which to surpass last year's record.

The building inspector said, however, that a building shortage was beginning to be felt, and a drop in volume could be expected if favorable priority ratings are not procured for the county.

Newspapers Throughout Nation To Observe National Newspaper Week, October 1 To 8

For a second successive year the seven days beginning, October 1, will find daily and weekly newspapers throughout the land engaged in concerted and carefully planned programs aimed at giving their readers a clear understanding of what a Free Press means to their communities and the nation at large. The Daly City Record will again participate with a special "newspaper week" edition.

The occasion is the second annual National Newspaper Week, sponsored by the Newspaper Association Managers, whose membership includes the executive officers of twenty-five national, state and regional publishers associations.

fense or disaster organization. Information may be elicited from any of the above named men.

According to Quirmbach, San Mateo county is in the forefront in county defense work. "The organization is working out nicely, but naturally it will take time before we begin to have really tangible results in county defense," he said.

Boy Weather Prognosticator

Interested in weather, a 14-year-old boy, Roger Keener, a Boy Scout, of Canaan, Conn., has set up his own weather bureau in his home and his predictions have been quite accurate, neighbors say. He has all the necessary instruments for recording wind, humidity, barometer pressure and precipitation. Roger became interested in weather through his scouting work and hopes to go on with his study, expecting to make it his profession later on in life.

Daly City Theatre Fans To See Clever Comedy

As the girl who knows all the answers, beautiful Joan Bennett comes to the Daly City theatre screen with Franchot Tone in Columbia's newest love-and-laugh farce, "She Knew All the Answers," tomorrow. Proving that Wall Street may know its stocks and blondes but a brunette like Joan Bennett is something else again, the hectic new hit was directed by Richard Wallace from a popular magazine story by June Allen. John Hubbard, Eve Arden and William Tracy are important members of the supporting cast.

Miss Bennett appears as a night club performer who, literally and figuratively, goes to work on Wall Street. Determined to win a letter of recommendation from the broker-guardian of a millionaire play-boy whom she is determined to marry, she talks her way into a job as switchboard operator in the financier's dignified offices. Knowing less than nothing about switchboards, she manages in practically no time at all to panic not only the office but the Stock Exchange as well!

Tone is seen as the all-work-and-no-playboy whose office is disrupted, whose conservative aplomb and impressive stock manipulations are completely smashed by the bewildering antics of the beautiful brunette. In "She Knew All the Answers," too, Tone is said to provide an engaging and delightful characterization as he slowly, inevitably, and hilariously moves from stiff-necked austerity to unconventional romance.

Hubbard appears as the play-boy responsible for it all.

Companion feature on the new bill will be the Disney cartoon, "The Reluctant Dragon."

High School PTA Receives Program

Program for the year was presented to members of Jefferson Union High School P. T. A. when the unit met for its first meeting of the fall term, last Wednesday. Mrs. Henry Seiler made the presentation. In charge of the meeting was the president, Mrs. Walter Lehigh.

The high school string orchestra, under the direction of Oscar Busch, played two selections for the group. The musicians were introduced to the unit.

Mrs. George Bruns, president of Seventeenth district, was introduced and gave a short talk on P. T. A. aims for the year.

Representing the high school unit at the district meeting and school of instruction, Thursday, in Burlingame, were Mrs. Lillian Thomey, Mrs. Emil Pahlka, Mrs. Robert Snow, Mrs. William Cassasa, Mrs. Howard Clifton, Mrs. Edmund Cavagnaro, Mrs. Lehigh, Mrs. Oscar Busch. Mrs. Seiler attended as district chairman.

The high school unit is making plans to join with the P. T. A. groups of the elementary schools in holding Fathers' Night, Tuesday evening, October 21, at the high school. County Probation Officer Francis Robinson will be the speaker of the evening.

EAGLES PLAN SEPT. 29 WHIST

Mel Battye, chairman of the Colma Vista Grande Aerie No. 1848, F. O. E. whist, today announced a change in date. The whist will be held Monday, September 29, due to the fact that other organizations had already planned parties for the original date, September 22.

Playing will start at 8:30 p. m. at Eagles hall. Price of score cards is nominal.

The committee in charge of the affair cordially invite the public to attend. There will be lots of prizes, a cash first award and a cash door prize, according to the members.

John Craig will assist the chairman with the party arrangements. Dale Hovey is in charge of the prizes.

LAMPS
FOR EVERY MEMBER OF THE FAMILY

★ FAMILY STYLE ★
LIGHTING

This month and on into Spring is the homey season of the year. Vacations are over. Schools have started. The family is finding happiness and quiet contentment in the home circle from sundown to bedtime. Isn't this true of you and your family?

To you, then, we would like to suggest a simple, inexpensive way to add to the brightness and gaiety and happiness of your home. It's Family Style Lighting.

Light up your easy chairs for new reading pleasure or to smooth out mother's wrinkles as her eyes watch the mending needle. Do away with glare where Sis and Sonny are studying at desk or table. Transform the corner davenport with a new lamp to spread light for your family and to say "welcome" to friends.

You'll be surprised at how little it costs to provide good light for each member of the family.

Eminent Guests Attend Installation

Among the distinguished guests at the Twenty-sixth district, American Legion auxiliary, installation ceremonies, Friday evening, were Mrs. Donald Rogers, president of the Eighth district, San Francisco; Mrs. Nordien Sullivan, president of the Seventh district; Phil Blanchard, commander of the Twenty-sixth district; A. J. K. Jakobsen, chef de gare, Voiture 393, 40 & 8; Arthur Quirmbach, commander of Daly City Post No. 410.

Daly City Unit No. 410 was hostess to the entire district at Legion hall. The meeting was opened by Junior Past President Mrs. Helen Madden. The newly-elected president, Mrs. Alice Reilly, Daly City, was escorted to the chair and Mrs. Madden turned the gavel over to her.

The distinguished guests were brought up by Mrs. Mary Hayes, honorary sergeant-at-arms, assisted by the district ritualistic team.

Installing officer was Mrs. Marce Trier, Daly City, assisted by Mrs. Hayes and the ritualistic team. The president and first vice-president had been installed previously at the Sacramento convention. Officers inducted, Friday night, were Mrs. Florence Surber, second vice-president; Mrs. Margaret Kenney, secretary-treasurer; Mrs. Nell Cathay, sergeant-at-arms; Mrs. Don Andrews, marshal; Mrs. Marian Delaney, historian; Mrs. Ethel Granger, chaplain; Mrs. Madden, junior past president.

Mrs. Reilly appointed her committee heads for the year at the meeting. She named the following chairmen: Mrs. Dorothy Tyo, Americanism; Mrs. Rhea Levi, colonial study; Mrs. Hayes, constitution and by-laws and parliamentarian; Mrs. Ethel Brennen, community service; Mrs. Mae Gomez, child welfare; Mrs. Florence Chess, distinguished guests; Mrs. Florence Donnelly, education; Mrs. Sarah Hendricks, employment; Mrs. Trier, junior activities; Mrs. Zelma Bucholz, legislation; Mrs. Isabelle Lindquist, music and glee club; Mrs. Marie Demott, movies; Mrs. Irene Signarowitz, membership; Mrs. Vivian Pahlka, national defense; Mrs. Mary Welch, national news; Mrs. Don Andrews, Pan-American; Mrs. Blanche Hartley, press and publicity; Mrs. Surber, rehabilitation; Mrs. Cathay, ritualistic team; Mrs. Madden, past presidents' parley.

The drill team members presented Mrs. Reilly, who has served as business manager of the group, with a lovely table lamp. Captain of the drill team, Mrs. Frances Rinehart, was presented with a compact. The president of Daly City unit gave Mrs. Reilly a beautiful orchid as a gift from the local auxiliary. Mrs. Reilly received other gifts and flowers, as well.

Next district meeting will be held in November at Burlingame.

On October 10, Daly City unit will give a pillow case whist at Legion hall. The public is invited and playing will begin at 7:30 p.m.

Junipero Serra Hospital Treats Three Cases

Betty Lou Weaver, San Francisco, was slightly injured, Thursday night, when attempting to cross Junipero Serra boulevard. An automobile struck her a glancing blow.

She had had an argument with a young man she was with, and left the automobile in which they had been sitting. Driver of the car which struck her was Joseph Ticknor, San Francisco. She was taken to Junipero Serra hospital in the hospital ambulance, driven by Stan Crane.

Other cases at the hospital last week were Mrs. C. Schoenfeld, who suffered cuts necessitating two stitches, after the car in which she was riding struck a light pole at School and Mission, Sunday. The driver was her son, Leon Schoenfeld. Both are from San Francisco. Schoenfeld said he struck the pole in trying to avoid a collision.

Jimmy Giannini, 8, 240 Hillcrest drive, stepped on a butcher knife, Sunday. He was treated at Junipero Serra hospital.

rehabilitate all the families living in substandard units in Daly City. Only those in the low income group in greatest need will receive these benefits.

According to Johnson, about thirty units could be built here, at a cost to the government of $150,000. Rent for these dwellings, including utilities, will be $18.50 a month.

Florida's Edible Fish

Of the more than 300,000,000 pounds of fish caught in Florida waters annually, little more than one-third are of the edible variety, according to R. L. Dowling, state supervisor of conservation. The non-food fish, mostly menhaden and sharks, are used in the manufacture of fertilizer, oils and novelties, Dowling explained.

Dog Stays On

Frank Brusewitz has retired as station agent for the Great Northern railroad here but his faithful dog, Terry, carries on. Terry reaches the station every morning at 7:30 o'clock, meets all passenger trains and then trots to the post office and bank—a routine he followed with his master for years.

Grammar School Youngsters to Use Gym

Grammar school children will get their chance to use the Jefferson Union high school gymnasium, each Saturday morning, from 9 to 12 a. m., it was announced this week by the Daly City WPA Recreation office.

In charge will be Mrs. Laura Lofink. Ping pong each evening, except Wednesday and Sunday, will be played at the gym—also under the supervision of Mrs. Lofink.

be served from 5 to 7 p. m.

Other features of the celebration will be a concert by the Daly City band, under the direction of George Brenner. The band will play at 2 p. m., Sunday, in the school yard of Our Lady of Perpetual Help church.

The three-day good time will be in the form of a carnival, with games, booths, food and music. Last year the bazaar was considered one of the outstanding social events of the season. The committee in charge, headed by Roy Thompson, gives assurance that the celebration this year will surpass last year's success.

Use Sink Stoppers

In dry Oklahoma sink stoppers can be part of a police officer's equipment. When Lieut- V. O. Webb and two other officers raided a home a woman emptied a dishpan of liquid into the sink. Webb quickly stoppered the sink, drained and siphoned out a quart of what he says was whisky. He was carrying the stopper in his pocket.

JOBS FOR DRAFTEES

The recent order creating special reemployment committees under local Selective Service Boards gives weight to America's determination to do its duty by the men who are doing their duty in the armed forces of the nation.

The magnitude of the job must not be underestimated. With as many as 200,000 draftees leaving the army by the end of the year, the problem of reemployment cannot be solved without effort and action.

This effort can and must be made. The job would be greatly simplified if every major employer took such action as that recently taken by California's Bank of America. The leaders of that bank not only reaffirmed their intention to rehire all drafted employees, but extended their "job back" guarantee to cover the full thirty month period of army service now provided by law.

Such action has special value, since it preserves the continuity of the draftee's career. For those men who leave career positions to take high-paying temporary jobs, no provision can be made. But reemployment plans have real merit when they permit the young draftee, after his period of low-pay national service, to continue unbroken his progress in his chosen career. Full seniority, pension, and job rights guarantee this sort of reemployment to the drafted employees of this banking institution.

Of the 1,576,400 men on the army lists in August, 697,000 will return to civilian life as their selective service ends. The finding of 697,000 new jobs, even in an era of defense spending, is a problem of major magnitude. It is a problem America can and must solve if her duty is to be done.

THEY'RE BUILDING CASTLES

Maybe it's the longing for security in a troubled world. Maybe it's the desire for a castle of one's own in which to shut out the tumult and the shouting of the warring world outside. Whatever it is, we do know that citizens in California and throughout most of the Far West have launched a boom in housing that is the envy of the nation.

Forecasters a year ago warned that conditions were not ripe for residential building, due to the drafting of labor and materials. But events have failed to bear them out. The long over-due housing drive which began gathering momentum in 1937 has continued spinning merrily on its way.

In the first four months of this year, the value of new homes built in California reached $93 million, a handsome gain of 27 per cent over that same period in 1940. And it should be noted what a lion's share of all home building in the entire Twelfth Federal Reserve District, California held during those four months—$93 million out of a total of $115 million. This, incidentally, is no new phenomenon. The State has long been a leader in home-building, one important reason being that it enjoys the largest branch banking facilities of any state in the Union—a statewide system that has been specially devoted to better housing for the average family.

This is evident in the fact that the volume of loans made under the FHA program by a single California branch bank system is not even closely approached by any other bank in the entire country.

New homes in California mean more thriving communities. They mean not only happier families, but more citizens with a sense of civic responsibility, more citizens with a stake in the well-being and prosperity of their home town. Real castles a-building mean a better California.

House of Cotton

The Farm Security administration is conducting experiments in the use of cotton as a building fabric. A house has been erected in Coffee, Ala., with roof and walls covered with cotton duck. The material is nailed to a smooth backing of plywood, plaster or composition board. It is painted with a mixture of white lead and linseed oil. The cost of such a house, including modern plumbing and electric wiring, is only about $1,350.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold R. Shurtleff, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

Sons of Legion To Install Officers

Newly-elected officers of Daly City Squadron No. 410, Sons of the American Legion, will be installed, tomorrow evening, in a public ceremony at Legion hall. They will be inducted into office by their father post, Daly City Post No. 410. The meeting begins at 8 p. m.

This installation will mark the beginning of the second year of the squadron's existence, since its reorganization. Joe Becker was captain during the first year.

Eagles To Initiate Class of Candidates

Membership of the Colma Vista Grande Aerie No. 1848, F. O. E., will take a jump tomorrow night when a large class will be initiated into the organization, at Eagles hall.

The officers of the local Eagles request the presence of all members at this event. All who attend are assured of a pleasant evening of entertainment.

Silver Lining

War has a silver lining for 84,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

Rubber Grips

To avoid dangerous bathtub falls are new rubber hand and foot grips that fasten securely to the bottom and sides of the tub with suction cups. The designs are conservative, neat, and there is a choice of colors.

Vista Grande Camp Hostess to District

Vista Grande Camp No. 6035, Royal Neighbors of America, will be hostess, Friday, October 3, to the four other camps of the Golden Gate district. It will be the annual meeting for the five camps, including Vista Grande, Enright, Mission, Fidelity, and San Francisco.

In the afternoon, a school of instruction will be conducted by State Supervising Deputy Mrs. Christine Hammel, at Eagles hall. At 6 p. m., a banquet will be held at Colonial cafe, 6192 Mission street. At 8 p. m., the evening session will start, at Eagles hall. Guest officers will be introduced by the past oracle team. Main feature on the evening program will be the initiation of a large class of candidates. A musical program is also scheduled.

The entire membership of Vista Grande camp is hard at work to make the October 3 event a big success.

Tonight, Vista Grande camp will be well represented at a reception to be given for supreme officers by the Golden Gate district camps at Knights of Columbus hall, 150 Golden Gate avenue. Honored guests will be State Supervising Deputy Christine Hammel, Supreme Chairman Mrs. Margaret Gorman; Supreme Managers Mrs. Edna Walsh, Mrs. Frances Torkelson, Mrs. Jessie Mitchell, Mrs. Alice Nash; Supreme Doctor Hada Carlson; Supreme Oracle Mrs. McCurdy.

Senior Girl Scouts To Plan Own Programs

In order to promote self-reliance and initiative among the girls of the Senior Girl Scouts, the members will plan their own meeting programs for the next several months. This announcement was made, Monday, by Mrs. Lyal Ingersoll, leader.

Saturday, the group enjoyed motoring to Stanford university, where they visited the various points of interest on the campus. Later, they held an outdoor barbecue at Redwood City. They left Daly City at 4 p. m. with Mrs. Ingersoll.

Friday evening, the Senior Girl Scouts will meet at the home of Mary Lou Becker, 824 Templeton avenue at 7:30 p. m.

Testing Tires

A machine has been invented to test the durability of automobile tires by subjecting samples of their material to twice the number of impacts to which the tires would be subjected in use.

Steals Three Articles From Car of Local Man

The automobile of Clyde Kenyon, 215 Vista Grande avenue, was broken into and burglarized, early Saturday morning, according to police reports.

The 1940 Plymouth was parked on Pedro road. Door handles and a ventilator glass were broken. Police said it was likely that the pilferer cut his hands, for blood was found on the door.

Lost were two Navajo blankets worth $7.50 each, and an Eastman kodak worth $35.

Colma Man Finds Body of Suicide Victim

Apparently a suicide, the body of Lorenzo Gonzales, 50, San Francisco, was found a short distance from Skyline boulevard, Saturday, by Fae Erickson, Colma, a truck driver.

Gonzales had been dead two days. His chest had been shattered by a blast from a shotgun. He ended his life by attaching a string to the bumper of his car and to the trigger of the shotgun.

TRAFFIC COURT

Judge Fines S. F. Speeder $25

Speeding while under the influence of intoxicating liquor brought Alfred Arietta, 68 Sala terrace, San Francisco, into the court of Judge Wade H. Clay, Friday. He was given a fine of $25.

Among other traffic offenders pleading at the local court was James Hunter Piercy, 3221 Twenty-first street, San Francisco, who forfeited his $10 bail for speeding when he did not appear at the courtroom.

Shirley Smith, 2360 Van Ness avenue, San Francisco, parted with $5 for going sixty miles an hour in a 45-mile zone. Speeding cost Anthony G. Perry, Cupertino, $5.

George Edward Barbosa, 252 Hartford street, San Francisco, went through a signal and was obliged to pay $2.50. The same offense cost Amy M. Vernon, 1915 Leavenworth street, San Francisco, $1.

Peter Lucia, 122 Parkview avenue, was given a suspended fine of $1 for ignoring a parking tag.

Ticket Trickery

If you can get a traffic ticket "fixed" in your town the chances are that more serious offenses are also being condoned, according to the National Consumers tax commission, whose tax reduction drive seeks additional municipal economy and efficiency.

Smartly Styled for '42

Pictured in California setting is this new President 8 Skyway Sedan, styled by Raymond Loewy, one of the colorful models of 1942 just introduced in the West by Studebaker. Improvements over former years are disclosed in both design and engineering. The new line also includes 6-cylinder Commanders and Champions.

Announce Engagement Of Dorothy Wieland

The engagement of Miss Dorothy Wieland, daughter of Mr. and Mrs. Roy Wieland, 44 Flournoy street, was announced at a tea given for her last week by Miss Gerry Polite, 689 Mangels avenue, San Francisco. Her fiance is Edward Evensen, San Francisco.

Miss Polite's friends from San Francisco State college staged a charming fashion show. It was accompanied on the piano by George Wieland, brother of the bride-elect.

The announcement followed the fashion show and came as a complete surprise to all. No definite date has been set for the wedding.

El Carmelo Corps To Parade at Mt. View

First drum corps to sign up for the Good Neighbor day parade in Mountain View was that of El Carmelo Parlor No. 256, Native Sons of the Golden West, of Daly City and Colma.

Good Neighbor day, Friday, October 3, will be an all-day, carnival-like affair to be participated in by the whole town, and by visitors who are cordially invited.

Stores and offices will be gay with the Good Neighbor Day colors, blue and yellow. There will be a parade, during which the El Carmelo drum corps will be in competition with other such marching groups.

Undaunted Courage?

Pat Hogan of Westwood, Calif., and Muriel Dwyer of Santa Cruz, went to Reno, Nev., to be married. Pat, after getting the license, was knocked down by an auto and his leg was fractured. Undaunted, he had the leg set at a hospital, summoned a clergyman and the marriage was performed on schedule at the bedside.

Human Head Sacred

In the Fiji islands, the human head is held to be sacred and it is an insult to reach above the head of another person. Women in consequence crawl on their hands and knees when men are at leisure inside a house. Persons who have been insulted are likely to commit suicide to eradicate the shame.

Bank Head Discusses Installment Credit

New regulations of the Federal Reserve board governing installment credit, effective September 1, have not materially changed the terms of Bank of America "Timeplan" credit, according to L. M. Giannini, president of the bank.

"The regulations were designed to help stabilize the national economy," the banker states, "but as the policies of Bank of America already were designed along the same lines, our customers will find few changes.

"Our personal loan regulations remain substantially unchanged. Instalment contracts for the purchase of some kinds of articles require slightly higher down payments, and the terms are shorter, but buyers still have as long as 18 months to repay.

"New and old customers of the bank will find the same willingness to meet their legitimate needs under the new regulations as formerly," Giannini concluded.

NOTICE OF PROPOSED REZONING

NOTICE IS HEREBY GIVEN that the City Council of the City of Daly City, on Monday, the 29th day of September, 1941, at the hour of eight o'clock P. M. of said day and at the Council Chambers of said Council, in the City Hall on Wellington Avenue, Daly City, California, will redetermine the boundaries of Industrial District No. 1 in said City, with particular reference to a proposed inclusion therein of all that certain area and real property situated as follows, to-wit:

Lots 1, 2, 3, 4, 5 and 6 in Block 18, as designated on the map entitled "MAP OF THE LANDS OF THE SCHOOL HOUSE HOMESTEAD ASSOCIATION SITUATE IN THE 1ST TOWNSHIP SAN MATEO COUNTY", which map was filed in the office of the Recorder of the County of San Mateo, State of California on July 10th, 1872 in Liber "C" of Maps at page 61 and a copy entered in Liber 1 of Maps at page 9.

DEFENSE BOND Quiz

Q. Do the retail stores receive any fee or percentage for the sale of Stamps?

A. No. The retail stores are offering their facilities as a patriotic service, just as banks, savings and loan associations, and others are giving their help in the sale of Defense Bonds.

Q. How can I form the thrift habit necessary for me to buy many Defense Bonds now, to help the government?

A. The easiest way is to instruct your employer or banker to hold back a small fraction of your salary or other income. Even 10 cents a day and a dollar on your birthday will mount up in one year to $37.50, the purchase price of a $50 Defense Bond. Bigger savings buy bigger bonds.

Note—To buy Defense Bonds and Stamps, go to the nearest post office, bank, or savings and loan association; or write to the Treasurer of the United States, Washington, D. C. Also stamps now are on sale at retail stores.

Pardon me— have you heard?

The sixth year of Saturday morning **hours for children** began at 10 a. m. at the San Francisco Museum of Art, September 20. Young people from the age of 18 all the way down to 4 spend an hour and a half every Saturday morning making their own pictures and sculpture with clay, paint, pencil or ink. Groups are segregated according to age and placed under the guidance of special instructors. Theretofore undisclosed talent often comes to light in these sessions, but in any case special talent is not a requirement of admission. Individual creative expression is stressed at all times.

Twice a year work produced during Saturday morning hours is gathered together to form an exhibition which is celebrated by a party. Street cars H and 5 stop at the McAllister and Van Ness door of the museum. Street car tickets for transportation to and from the San Francisco Museum of Art can be secured at half price. These hours are free to members of the museum, for others there is a charge of ten cents to cover the cost of materials.

The greatest display of **armed might** in two decades will be shown the people of Northern California during San Francisco's Defense pageant, October 3, 4 and 5.

Over 15,000 soldiers of the United States Army complete with their equipment of guns, trucks, scout cars, command cars, and "jeeps" will march in a gigantic night parade and then place their equipment on display for inspection by the public. Bluejackets from the U. S. Navy and leathernecks from the Marine Corps will also participate in the show.

The huge celebration, sponsored by the San Francisco Junior Chamber of Commerce in cooperation with other civic organizations, has two purposes; one, to demonstrate the progress that has been made in our national defense effort during the past year; and two, to give the soldiers recently returned from maneuvers a chance to relax and enjoy the hospitality of San Francisco.

Crocker PTA Hears Two Addresses

When Crocker P. T. A. met for its regular session, last Tuesday, members heard two addresses. Mrs. George Bruns, Seventeenth district president, spoke on "Understanding Family Relations," while School Nurse Mrs. Lohr told of the health program being carried out in the Daly City schools.

Mrs. Virginia Davidson, membership chairman, reminded the unit that this coming month was to be the period for the membership drive. She asked for the cooperation of all.

The sewing chairman, Mrs. Emma D'Isep, invited all members to attend the sewing club meetings, which will be held every Friday until the bazaar in December. Next meeting of the Sew and Sew club will be held, Friday, at the home of Mrs. Davidson, 581 Hanover street.

Eight members were named to attend the school of instruction of the Seventeenth district in Burlingame, Thursday. Ladies who attended were Mrs. Olga Bordson, president; Mrs. D'Isep, vice-president; Mrs. Mildred Seiler, Seventeenth district safety chairman and Crocker's recording secretary; Mrs. Vivian Pahlka, financial secretary; Mrs. Hazel Cassasa, parliamentarian; Mrs. Marie Parodi, sunshine chairman; Mrs. Lillie Cavagnaro, life membership chairman; Mrs. Ethel Dorn.

Mrs. Mildred Seiler was appointed to attend the publicity classes, which will be given by the Seventeenth district, beginning October 24.

Programs for the year were distributed by Mrs. D'Isep.

The October meeting will be "Fathers' Night" and will be held in conjunction with other Daly City P. T. A. units at Jefferson Union high school, October 21. 7:30 p. m. Francis J. Robinson will be the speaker. His topic will be "Building Social Integrity Through Juvenile Protection."

Mrs. Florence Thorsen announces an evening magazine whist for October 24, at 8 p. m. at the home of Mrs. Martha Wegner, 399 Crocker avenue.

Woodrow P. T. A. Hold Luncheon Whist

Mrs. Hilda Heagney will be hostess, tomorrow at her home, 117 Miriam street, to members and guests attending the Woodrow Wilson P. T. A. luncheon whist. The unit has invited the public to attend its party, which will begin at 12:30 p. m. with the serving of luncheon. Card playing will follow.

The committee, headed by Mrs. Heagney, has announced that there will be prizes for each table.

Yesterday, the sewing group of Woodrow Wilson P. T. A., met at the home of Mrs. Emma Sorg, 115 Knowles avenue. Refreshments were served at 12:30 p. m. and sewing occupied the ladies during the afternoon.

Cypress Circle Whist To Be Held Tonight

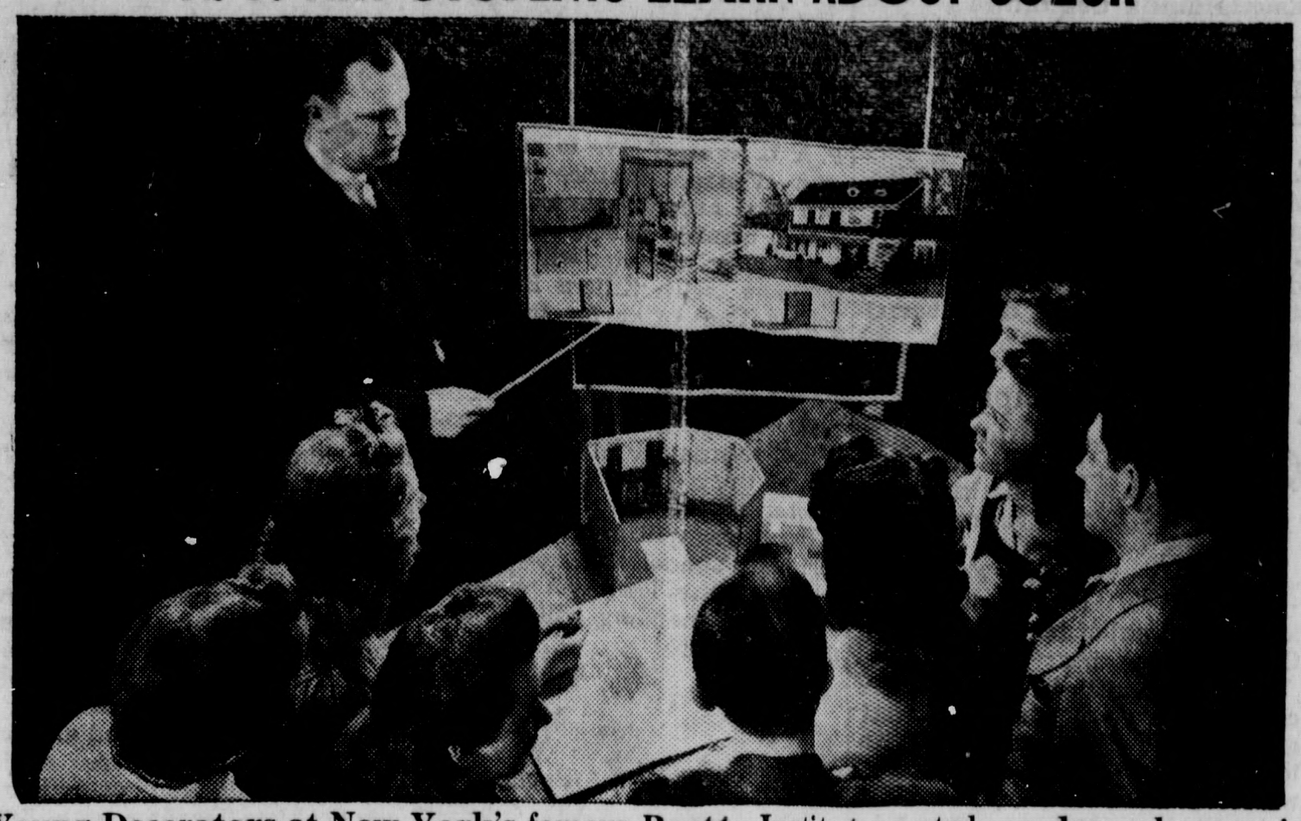
"A bigger whist than usual" is the promise made by members of Cypress Circle No. 14, U. A. O. D. for this evening's party at 8:30 p. m. at Colombo hall.

Mrs. R. Fellman, chairman of the affair, says—"There will be a cash first award and many other lovely gifts. All whist players are invited to attend our biggest whist of the term."

Assisting Mrs. Fellman will be Mrs. F. Schmidt.

At the group's next meeting, October 8, Grand Arch Druidess of the Grand Circle Mrs. Minnie Lino, will make her official visit. This meeting is the circle's most important meeting of the year, and all members are urged to be present. Committee for the gala event will be announced by the group at a later date.

N. Y. ART STUDENTS LEARN ABOUT COLOR



Young Decorators at New York's famous Pratt Institute study color schemes in giant collection of color photos which will be lent to local residents.

GUIDE USED BY PRATT INSTITUTE NOW AVAILABLE HERE.

Interior decoration students at Pratt Institute, best-known of all New York art schools, now are studying home color schemes from a huge portfolio of color photos, duplicates of which are now available locally, according to A. H. Stockton of A. L. Stockton Lumber company, 6100 Mission street. The color-photo collection, known as the Paint and Color Style guide, shows many of America's most beautiful rooms and homes in their actual colors, and will be lent to local residents, the local paint man says.

Many rules and hints on interior decoration can be learned by a study of the color photos, according to the decorating experts of Sherwin-Williams company, who compiled the portfolio. For example, the photos show that rooms with a northern exposure can be painted with warmer colors than other exposures, that grayed wall colors permit the use of brighter-colored accents and furnishings, and that white, ivory or cream are the best ceiling colors because they reflect more light. Also, blue and white is a favorite kitchen combination because of its cool effect, and green is an excellent background color—ideal for living-room and dining room walls.

The portfolio will be lent at no cost, and will be on display at the local paint store.

Royal Neighbors Give Bridal Shower

Members of the sewing circle of Vista Grande Camp No. 6035, Royal Neighbors of America, gave a bridal shower in honor of Mrs. Mary Serlack, last Tuesday evening. Hostess was Mrs. Mattie Smith, 26 Bepler street. Mrs. Serlack was married in Reno, September 9.

The honored guest was the recipient of many lovely gifts. Present to congratulate her were Mrs. Agnes Wood, Mrs. Anna Romer, Mrs. Anna Smith, Mrs. Cinderella Weller, Mrs. Estelle Peterson, Mrs. Cora Ray, Mrs. Edna Huggard, Mrs. Marie Thompson, Mrs. Marie Rodrigues, Mrs. Meritt, Mrs. M. Spitt, Mrs. Gladys Moe, Miss Engaltretson, Mrs. C. Davis, Mrs. B. Davis, W. M. Davis, and the hostess.

A pleasant evening was spent playing cards. Refreshments were served.

Apple Blossom Time

Mrs. Sadie Tuxford, Redwood City, Calif., would like to have someone analyze the "secret urges" which have pushed her two-year-old apple tree to blossom five times within a year and to bear four crops of fruit.

DRAMATICS

Members of the dramatics class are busily preparing pantomimes and monologues. With the aid of these, a lot of hidden talent is being found by dramatics coach, Sigfred Hansen.

The class will leave the high school this afternoon to see "The Male Animal" starring Otto Kruger. Hansen will accompany them.

ART

Willis Sharp, recent graduate of Jefferson, received honorable mention in the County Fiesta poster contest. Sharp received an award for his fine work.

SENIORS

President Jean Hanselman today announced her tentative committees to take charge of the Christmas graduation.

Students chosen for the Senior ball committee were: Doris Degliantoni, Bill Dillon, John Nordquist, Arthur McCrystle, Norman Wiseman, Robert Milory, Mary Picchi, Martha Preciado, Charlotte Silvas, Maxine Hudson. Picture Committee: Enrico Bertini, Joe Becker, Glenora Hall.

Gift: Lillian Hodges, Lorraine Iverson, and Frank Pensaneau. Announcements: Dean Nelson, Gloria Jobson, Tom Rancatore. Cap and Gown: Forrest Karren, Arthur McCrystle, Pat Peterson, Rose Babcock. Flowers: Rose Cavallero, Evelyn Massoni, Gloria Fontana. Senior Sweaters: Bernard Janssen, Beatrice Putnam, and Bob Grimes.

EXECUTIVE BOARD

At last Tuesday's executive board meeting, Serafino Ragni, sergeant-at-arms, brought before the board the following members of his committee: Rosemarie Carlson, Charles Razzari, Robert Grimes, Bob Spark, Bob Bybee, Eugenia Rich, Bud Prziborowski, Red Coen, Jack Faulk, Harlen Ferrando, Grace Lopresti, Art McCrystle, Joe Becker, Bernard Jenssen, Joe Bricker, and Maxine Hutchin.

The board voted their aproval of the officers to serve on Ragni's sergeant-at-arms committee.

Judge Art McCrystle received the board's approval of his jury committee. There will be a few more added in the near future.

Present members of the jury are: foreman, Lloyd Rentsch; Evelyn Masoni, Rose Cavallero, and Claudia Bertini.

C. S. F.

Jefferson's honorary society boasts a membership of thirty. Those members whose names appear on the roll call book are: Bill Kielty, Bob Grimes, Norman Wiseman, Charles May, Lillybell Fletcher, Harvey Melicker, Thelma Toedten, Betty Inks, Walter Cavagnaro, Frank Pate, Betty Sheridan, Claudia Bertini, Angelo Ditty, Carol Bryant, Anita Ryan, John Mosman, Elizabeth Terner, Barbara Hardester, May Pesero, Clayton Koelmann, Beanca Ratto, Alma Simonetti, Nancy Sorg, Gwendolyn Stegeman, Lloyd Rentsch, Jerry Koelmann, Linda Montgomery, Joyce Yates, Marie Smith, and Mona Kielty.

Rentsch has been chosen to serve on the executive board.

Entertainment Committee

Date for Jefferson's first dance of the semester has been changed. The new date is October 17, one week later.

Under the direction of the capable chairman, Frank Feno, this "V" (Victory) dance is scheduled to be one of the best Jefferson ever had. Elaborate decorations are being planned, and Jefferson's own dance band will supply the music.

Campus Fashions

Color combinations have, as the saying goes, "gone to the dogs." This horror to the fashion minded girl of last year is now this semester's best combination.

A darling outfit, in fashion twin colors of the month, is the red and green plaid all-around skirt. It looks scrumptious when topped with a yellow sweater.

Another red and green combination is a red peasant blouse and green peasant skirt made of spun rayon that looks like wool. They are trimmed with bands of brightly colored embroidery. This outfit is ideal for the high school girl's budget as it can be interchanged.

Still high on the fashion ladder is corduroy. A chic and snappy number is the forest green corduroy jumper with a brown shirt and accessories.

Tall, exotic, and breath-taking, is this week's campus miss. She's pretty, blonde Jane Dutro. Jane's pet peve is her height, but it shouldn't be as she is indeed one of the prettiest girls at Jefferson.

Jane is a junior and likes to play basketball. She has long blonde hair, and snappy blue-green eyes that have lots of sparkle to them.

She was dressed in the latest campus outfit of red, blue and green. She was walking toward the girls' gym when she caught our eye. She was dressed in a fireman's red, long-sleeved blouse, trimmed in black, a blue gored skirt. She was carrying a green purse.

Our campus queen is a newcomer to Jefferson. She is formerly of Fresno high school.

So Jane to you goes our fashion bouquet with an extra orchid.

Girls Organize "The Black Cats"

Daly City has a new girls' social club—"The Black Cats." Organized only a short time ago, the group held an initiation ceremony, last night, at the home of Irene Anderson.

Members of the social club are all students at Jefferson Union high school.

Officers include Beverly Ainsworth, president; Patsy Bendetti, vice-president; Lorraine Hill, secretary; Irene Anderson, treasurer. Other charter members are Adele D'Elia and Dorothy Peterson.

The girls will meet each Tuesday evening at 7 p. m. at the homes of the various members.

Sports

G. P. A. L.

It was announced, today, by Miss Juanita Young, physical education instructor, that members of the G. P. A. L. would have to hold another election. Beatrice Putnam, who was recently elected president, is unable to take office.

Secretary-treasurer will remain the same with Zeffera Blandini holding the office for the fall term.

BASKETBALL

Players on the 10's and 20's basketball teams are getting in practice for their first P. A. L. game, October 10.

The boys will meet with Lincoln high school, tomorrow, after school in the local gym. Results and team members will be announced later.

Music

Why you should own a student body card was clearly shown, Thursday afternoon, in the auditorium. At the close of the school session, Dante Lembi and his Indians of Rhythm played for an after-school dance.

Only those students with student body cards were allowed on the dance floor.

This was the first public appearance of the school's swing band this semester. There were sixteen members present in the band. All of the vocalists were new to Jefferson.

The Indians of Rhythm will play for the high school's big dance of the semester, October 17.

Johnsons Entertain At Party for Daughter

Mr. and Mrs. Alex Johnson, 142 Winchester street, entertained at a surprise party, Monday evening of last week, in honor of the seventeenth birthday of their daughter, Aline.

Eight local high school students attended the affair. They danced, played games, enjoyed refreshments, and wished Aline, "Many happy returns."

Guests were: Eugenia Rich, Shirley Rice, Gloria Wade, Martha Preciado, Esther Hannel, Ralph Capps, Arthur Olson, and David Johnson.

Colma PTA To Attend Dessert Luncheon

Colma P. T. A. executive board and sewing circle will hold a joint meeting, tomorrow, at 1:30 p. m. Mrs. Ray Lagomarsino will be hostess to the group at her home, 63 Gambetta street. A dessert luncheon will be served.

Delegates who represented Colma P. T. A. at Thursday's Seventeenth district meeting in Burlingame were Mrs. H. Remington, Mrs. Walter Worth, Mrs. Willard Bock, Mrs. Paul Willbanks, and Mrs. James Burgard.

At The District Grammar Schools

At Jefferson

Jefferson grammar school students have plunged energetically into their social studies, since the opening of school.

"This subject appeals to all, from kindergarten through the eighth grade. The interests in this subject are so diversified as to cope with the ability of every individual," stated the teachers.

The little first-graders have started their unit, "The Home." They have already completed, with great success, a cave—one of the first homes of man.

On entering the second and low third grades, one can see an interesting collection of pictures and booklets dealing with "The Farm," the new unit for this class.

The ever-popular "Treasure Hunt" game is carried on in the social studies class of the sixth grade. This week, Robert Benassini collected a varied assortment of illustrations about the Northmen. The children are on the lookout for any valuable material that can be found in magazines, or old books.

Seventh and Eighth Grades

The "First Americans," a motion picture film, was presented to the seventh and eighth grades. This picture depicted the life, manner and customs of the Indians of the Southwest.

High Third and Low Fourth

"Curiosity killed a cat, but satisfaction brought him back"—so was their curiosity satisfied as the members of the high third and low fourth grades learned about fats in their nature study reading lesson. At the end of their study, the students performed experiments to show the presence of fat and starches in foods.

FIFTH GRADE

Over at Jefferson annex, the fifth graders worked diligently to complete their new art folders for the coming year. Many of the students showed great artistic ability, according to their teacher.

At Crocker

ROOM 1

The members of Room 1 devoted their entire English period, last Wednesday, to the study of the signing and ratification of the constitution of the United States. The occasion was Constitution Day.

ROOM 2

In approaching their unit of work on inventions, pupils of Room 2 have begun collecting pictures and exhibits of all forms of lighting and methods of heating homes.

ROOM 3

An interesting film on an ancient European country, Czechoslovakia, was shown to the students of Room 3. This film was in connection with their social science unit, "The Middle Ages."

ROOM 4

Pupils of Room 4 were shown a film on Indian Life entitled "First Americans." The film depicted the life of the Pueblo, Blackfeet, and Cliff Dwelling Indians.

ROOB 6

The students of Room 6 began their social science unit on the study of aviation, last week. They saw two films on aviation entitled "Airliner" and "Coast to Coast in Fifteen Hours."

One of the films, "Airliner" was run off on the new Bell and Howell sound machine which was purchased recently for the elementary school district.

At Woodrow Wilson Elementary School

EIGHTH GRADE

A "Hobby-Lobby" period held the interest and attention of the eighth grade students at Woodrow Wilson elementary school, last week.

The program promoted the proper use of diction, poise, and organization of ideas for them, as their talks were prepared for an oral language project.

Making wall hangings of soap wrappers, collecting live snakes, gardening, stamp collecting, rock specimens, were but a few of the motives which were presented to the class by its individual members.

ROOM 4

How the United States extended its boundaries through the acquisition of new territory after the Revolutionary war is the social studies unit now in progress in Room 4.

"The pupils are proud of their new wall maps which correlate directly with the growth of the United States," stated their teacher.

ROOM 8

"Exploration and Discovery" is the new social studies unit for Room 8. The students are working on a wall map showing the routes taken by the early explorers.

Although their summer vacation is over, many students of Room 8 are still taking trips during the week-ends. Barbara Lorenz visited near King's mountain, and Russell Laidlaw, Kenneth Bradshaw, Eloise Harrison, and Jerome Beatty recently visited in San Jose.

Pals

Raccoons have an ideal home life, says the National Park service, because the male shares the responsibility of rearing and training the children.

Arc Electric Beats Amazon Boys

It wasn't close. It wasn't close at all. When it was over the Arc Electric baseballers had put the Indian sign on the Amazon Boys Club 13-0. The time was, Sunday, and the setting was the Jefferson Union high school diamond.

Toiling on the mound for the victors was Strass. Three unimpressive bingles was the sum total of the damage done by the Amazons during the nine innings.

The Colombo Bakery sank the Colma Merchants without a trace, Sunday, in the second game at Jefferson diamond. For five innings it was fairly close, the bakery boys, at that time, having a lead of 3-1. But six runs in the sixth inning proved fatal to the hopes of the merchants from Colma, and Colombo Bakery was poison at the plate from then on.

President Arrested

Ulysses S. Grant was the only President ever arrested during his term of office. He loved fast horses, always had several in the White House stables, and had taken the highest mark for horsemanship in his class at West Point. His record in the high jumps has never been equaled. One day he was driving a spirited team in Washington, exceeded the speed limit, and was arrested by a colored policeman. The President put up a deposit of $20, but never appeared at the police court, and commended the colored policeman for doing his duty.

NEWMAN NINE BEATS VENETO RESTAURANT

Bunching their hits in the third, sixth and eighth innings, Frank Newman's baseball team overwhelmed Veneto Restaurant's nine, 9-5, Sunday, at Marchbank field.

In the third frame a single, a double, and a single brought in three runs. Four stinging hits in the sixth added up the score to six. The Frank Newmans concluded their rampage in the eighth with four hits and three runs.

Pitching for the winners was Farrell, and the young man stopped Veneto Resaurants with seven hits.

The one big blow by the losers was a three-bagger by Lazzaretti in the fourth inning. If it had been ten feet higher it would have cleared the fence for a home run.

The first game at Marchbank was a very loosely played contest between the Daly City Juniors and the California U. C. T. The locals finally came out on the short end of the score, 10-12. The winners made seventeen hits, the losers ten. It looked for a while as if the Daly City Juniors were going to take the game, after they scored nine runs in the third and fourth innings. But U. C. T. pitcher, Dowling, held them to one run for the remainder of the innings.

Each team made four errors.

Inter-Collegiate Football Starts

Inter-collegiate football in the Pacific Coast Conference gets under way this week-end with the University of Oregon invading the Stanford stadium at Palo Alto for an important tilt with the Stanford Indians, defending champions. The game on Saturday afternoon will give football fans their first indication of the comparative strength of the two teams. The game will be broadcast by Associated sportcaster, Doug Montell, and will be heard locally over Station KFRC (610 kcys) starting at 2:15 p. m.

California meets St. Mary's at Berkeley in an opening game which will hold the interest of grid fans throughout Northern California. Associated sportscaster, Hal Wolf, will be at the microphone to air the contest over Station KGO (810 kcys) starting at 2 p. m.

On Sunday, the University of Santa Clara will meet the University of San Francisco at Kezar stadium, San Francisco. This game will be broadcast by Associated sportcaster, Don Thompson, starting at 2 p. m., to be heard over Station KQW (740 kcys).

Last Word in Television

The new television antenna just completed atop the Chrysler building in New York is the only one of its kind in the world. Built to withstand a 150-mile gale, it consists of four hollow tapered aluminum bars, electrically heated to prevent formation of ice in the winter.

Winterland Introduces "Marvel-Smooth Ice"

Introduced to San Francisco ice skaters for the first time, Saturday, at Winterland, "Marvel-Smooth Ice" has brought new skating thrills to many. The "Marvel-Smooth" process is a recent development of scientific refrigeration providing a perfect skating surface, according to George J. Campbell, manager of Winterland.

The reopening of the big ice rink at Post and Steiner streets, dark since August 30, was marked by increased interest in ice skating. Established skating clubs. will start regular weekly sessions at Winterland within a short time. A number of other skating clubs are being organized among office employees, members of fraternal organizations and students.

Special events are already on the Winterland calendar. Among these will be regular weekly Ice Polo games, Pair Skating Contests to be held each week and other activities.

Winterland is open for public skating during three daily sessions — morning, afternoon and evening. Skates are available for rent and lockers may be had by those who have their own skates. Expert instructors are always on duty, according to the management.

Colma "B" Loses Three Games

The Colma Vista Grande "B" team in the Eagles' bowling league took a dive, Monday night, and lost three games. This brings their standing to three won and three lost.

On the other hand, the Colma Vista Grande "A" team won three and now is tied for second place in the standings with the Golden Gate Yankees with a record of five won and one lost.

High individual series on the "A" team was posted by H. Smith, with 513. High man on the "B" team was J. Craig, with 462. Dale Hovey has the best average, 150, for the "B's," and H. Smith is high with 163 for the "A" team.

Diet Changes

Since 1917 the American public has changed its diet by increasing the use of salads, malted milk, whole milk, fresh fruit, canned fruit and fresh vegetables.

James G. Iversen, 23, Daly City, and Elizabeth M. Piggrem, 19, San Francisco, were issued a marriage license in San Francisco, last week.

A marriage license was issued last week in San Mateo county to **Alexander A. Sokol,** 24, and **Martha Irene Page,** 23, both of Daly City.

Mr. and Mrs. Edward J. Dennis, Colma, are being congratulated this week by friends on the birth of a daughter, September 13, in San Francisco.

Members of **Emydian Institute No. 154,** Young Ladies Institute, have been taking their bowling seriously, the club reports. Mrs. Lenore Varni announces that a great deal of improvement was shown at the last bowling session in Burlingame.

William L. Berardy and **Mary J. Burford,** both of Colma, were issued a marriage license in Reno, Nevada, last week.

Most Spanish Spot

The most Spanish spot under the American flag is the romantic city of Ponce, on the southern coast of the United States territory of Puerto Rico. Although Ponce was the first city to be entered by the Americans who took Puerto Rico in 1898, it has been the last to give up the Latin heritage it derived from its Conquistadores. English is spoken widely in Puerto Rico, but Spanish is the prevailing language in this stronghold of old Castille.

Smiths Have Field Day At Record Drawing

Luck was with the Smiths at the monthly drawing for Daly City Record script books, Saturday night, at the Daly City theatre.

Winner of one of the books was Mr. and Mrs. A. E. Smith, owners of the Junipero Serra Auto court. Smith was right there in the audience, too, to claim his prize.

Other winners were Mrs. Vergil Smith, 602 San Diego avenue, Mrs. J. A. Walsh, 33 Cavour street, and Mrs. E. Selmi, 448 Santa Barbara avenue.

Not Religious

It has been estimated that only about 5 per cent of London's population concerns itself with church going.

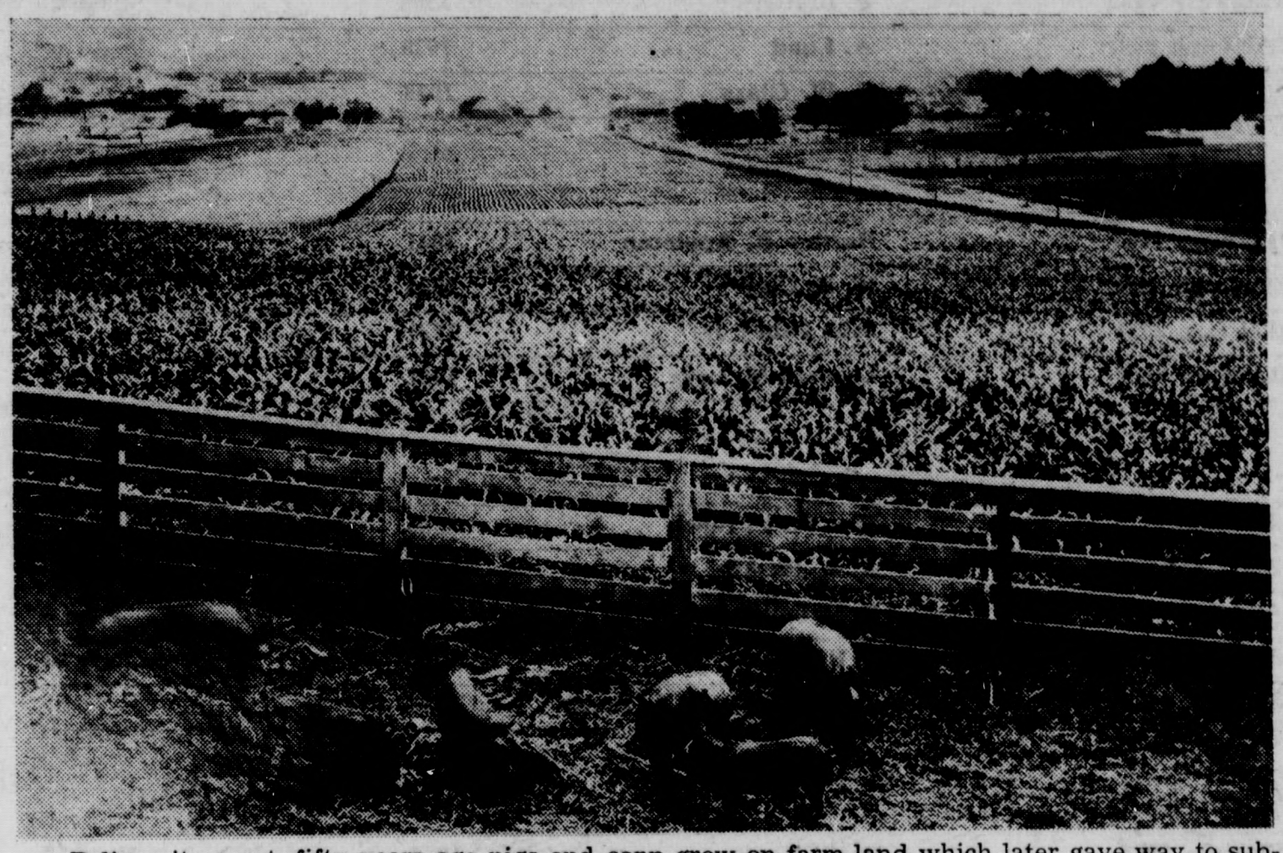
YOUR NEIGHBORS WORK at BRINGING YOU THE NEWS
They live in our town: shop in our town: raise their families in our town. Meet the members of this newspaper's staff ... your neighbors.
Their jobs are vital in bringing you local and county news HONESTLY, in this land where a frank, informative press is your chief guarantee of freedom. From reporting through every stage of editing, printing and distribution, your neighbors' efforts and ability bring you the FACTS which cost hundreds of dollars to gather, and which keep you well informed. You in turn support your newspaper each time you pay out the few cents a month your copies cost.
The voice of the community and of the world—your newspaper is also the voice of business, telling you when and where to buy what you want—most advantageously.
More than inanimate paper and ink, your newspaper is history in the making. How great then can be your pride in knowing that behind the scenes, it is built step by step for you, by your neighbors.
Daly City Record

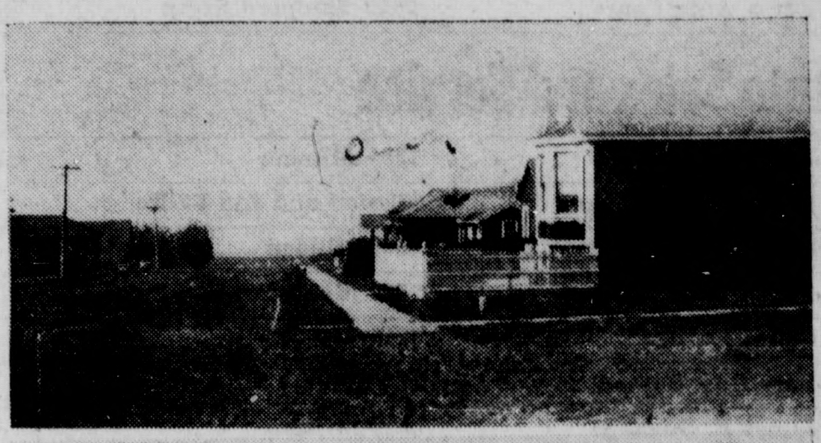
"- - - MANY LONG YEARS AGO"



Believe it or not, fifty years ago pigs and corn grew on farm land which later gave way to subdivision, homes, and a busy suburban area called Daly City. This picture taken in 1890 shows that area of Daly City now bounded by Bepler street, San Jose avenue, and Alemany boulevard. At upper right can be seen San Jose avenue, a muddy road in winter, dusty in summer, leading on to San Francisco. Only house in the area is that seen in the extreme upper right. It belonged to Mrs. Alma Gohl.

Above is Theta avenue looking down from Mission street, year 1912. Today there are no open spaces, but instead many homes and Woodrow Wilson school at the end of the street.

Below is a view of Westlake avenue in 1916. Intersecting street is Woodrow. No paved streets then, not many buildings.



Even in the early days Daly City had grand parades and festivities. Picture above shows one of the first Woodmen's parades ever held here.

Once upon a time there were a king and queen crowned in Daly City. At right you see them in all their splendor. Ask some of the old timers to identify the participants.

The sound of roaring motors - - -

They're getting louder and louder . . . the throbbing, pulsing, beating roars of America in the air. They're heard around the world. They speak louder than a dictator can shout, for they're the voice of free men. Sure, there have been delays, misunderstandings, bottlenecks—but the job is being done! Life isn't smooth or simple either, but it marches right along with births, deaths, triumphs and defeats. See that tiny silver "V" way up there? . . . that's America and the blue sky all around is time. America is going places . . . in a hurry as usual . . . going ahead with that slap-dash energy and drive that has made this country what it is . . . that will keep us ahead . . . and going! It's good to be an American.

Daly City is expanding fast and two men helping along by leaps and bounds are T. B. Strand and Emil Scarbo, contractors. Together they are building 36 homes along Hillside boulevard in the newly-opened Hillside Vista tract, between Gambetta and Bismark streets.

This is just the beginning, for they have bought 108 lots in that section and will build as fast as the demand calls. Both men are long-time contractors with much experience in building in this section of the peninsula. Each is erecting 18 homes modern and distinctive in every detail. They have roomy basements with no posts and large enough for three cars.

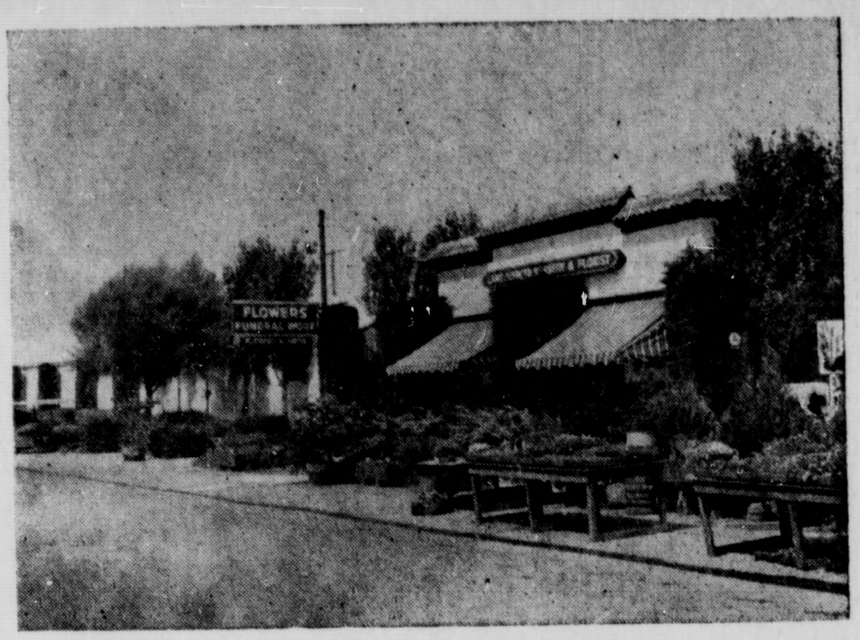
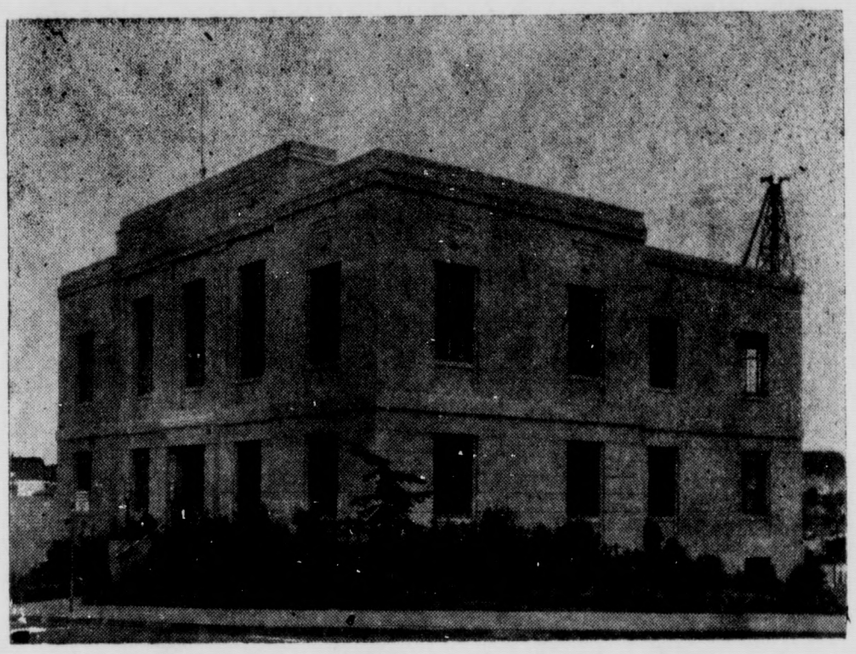
To Make Your Home Beautiful....

outside and in, Lake Merced Nursery and Florist has everything you may want!

BEDDING PLANTS - SHRUBS - POTTED PLANTS - LAWN SEED - TREES FERTILIZERS - INSECTICIDES CUT FLOWERS

(Specialists in Funeral Work)





Since 1900 Lake Merced Nursery and Florist has grown and expanded to keep pace with the development of this area until today it stands as one of the finest establishments of its kind in northern San Mateo county.

At the turn of the century Peter Conci, father of the present managers, August and Pete Conci, opened a flower stand at 2231 Junipero Serra boulevard. New construction has been carried on at the nursery according to a central plan. Six green houses, one lath house, spacious display rooms, a residence, supplementary buildings and well laid out garden plots now occupy the 2-acre area on Junipero Serra boulevard.

Pictured above is a front view of the nursery. At left is Daly City's new city hall. Lake Merced Nursery maintains the city hall grounds and is also landscaping the city parks and maintaining them.

Complete Hospital Service and Facilities At Junipero Serra

Junipero Serra Hospital offers complete and modern facilities for handling emergency and general hospital cases.

In the surgery department there are complete General Electric X-Ray equipment, McKesson pump and gas machines for administering anesthetics, artificial fever machines which are used to combat infections, complete Castle sterilization service together with De Forest physical therapy equipment.

Lawler A. Drees, M. D., managing owner, personally supervised construction of Junipero Serra hospital in 1936. The modernistic stucco structure contains a surgery, a maternity department, beds for sixteen patients, a large lobby, kitchen and service rooms.

Particularly interesting is the hospital's General Motor ambulance especially designed by Dr. Drees to accommodate four stretcher patients at a time.

Artistic California Type Home At Garden Village

THE PERFECT HOME

We wish it were possible to picture a way of life, rather than just the photograph of a home. We wish we could express happiness, contentment, graciousness, neighborliness, security, and permanence by an illustration.

If we could we might come nearer being able to tell you the real story of Garden Village, a garden spot of home-lovers which it has been our privilege to help plan and create. Garden Village has an atmosphere conducive to happy living. Nestling among gently sloping hills which shelter it from heavy fog and chilly winds of winter, but sufficiently close to the ocean to get cooling breezes in summer, it has many natural advantages for the rearing of a family.

Home sites are spacious, the smallest being 45 feet frontage, and ample depth leaves room for games, gardening, and family lounging. Schools, churches, and markets are near. Even downtown San Francisco is only fifteen minutes away . . . along wide boulevards. Lakes and country clubs are close at hand.

Living is easier and more enjoyable in Garden Village. It is outside the high tax area of the city, and being close to locally grown produce, food costs are reduced. Houses are carefully designed, soundly built, neatly kept.

You'll like Garden Village. You'll like its lovely vistas, curving drives. You'll like the kind of people who live here. May we show it to you? We can help you build a distinctive home here—and at a saving in costs to you!
